**From:** Steve Larsen, Director, Office of Oversight 

**Subject:** Application for Waiver of the Annual Limits Requirements of PHS Act Section 2711

---

Dear Waiver Applicant:

Section 2711(a)(2) of the Public Health Service Act (PHS Act), as added by the Patient Protection and Affordable Care Act (Affordable Care Act), requires the Secretary to impose restrictions on the imposition of annual limits on the dollar value of essential health benefits (as defined in section 1302(b) of the Affordable Care Act) for any participant or beneficiary in a new or existing group health plan or a new policy in the individual market for plan or policy years beginning on or after September 23, 2010 and prior to January 1, 2014. Specifically, the Secretary is granted the authority to determine what constitutes a "restricted annual limit" that can still be imposed under such plans or policies prior to January 1, 2014.

The interim final regulations published on June 28, 2010 (codified at 26 CFR § 54.9815-2719T; 29 CFR § 2590.715-2719; and 45 CFR § 147.126) established such restricted annual limits. The regulations also provided that these restricted annual limits may be waived by the Secretary of Health and Human Services (HHS) if compliance with the interim final regulations would result in a significant decrease in access to benefits or a significant increase in premiums. Pursuant to the regulation, HHS issued guidance on September 3 regarding the scope and process for applying for a waiver.

The Office of Consumer Information and Insurance Oversight, Office of Insurance Oversight received and processed your application for the plan(s) or policy(ies) year beginning January 1, 2011. We have determined that your application has met the criteria to obtain a waiver of the restricted annual limits requirements because compliance with the interim final regulations would result in a significant decrease in access to benefits for those currently covered by such plans or policies, or a significant increase in premiums paid by those covered by such plans or policies. To the extent you make any change to your benefit package after March 23, 2010, you must determine whether the change(s) will trigger loss of grandfathering status pursuant to 45 CFR § 147.140(g)(1).

An approval of your request for waiver of the restricted annual limits requirements granted under this process applies only to the annual limit(s) provided in your application for the plan or policy year beginning between September 23, 2010 and September 23, 2011. This waiver only applies to the annual limits requirements in Section 2711 of the ACA and does not apply to any other requirement of the Affordable Care Act, ERISA, the IRS Code or the PHS Act. Further, a group

health plan or health insurance issuer must reapply for any subsequent plan or policy year prior to January 1, 2014 when this waiver expires in accordance with future guidance from HHS. HHS may modify this waiver approval process memorandum and other relevant information.
